

ID	Description
GO:0007416	synapse assembly
GO:0007411	axon guidance
GO:0005887	integral component of plasma membrane
GO:0005509	calcium ion binding
GO:0007155	cell adhesion
GO:0007399	nervous system development
GO:0048557	embryonic digestive tract morphogenesis
GO:0007156	homophilic cell adhesion via plasma membrane adhesion molecule
GO:0005886	plasma membrane
GO:0007268	chemical synaptic transmission
